h. The above-named labor organization has engaged in and is engaging in unfair labor practices within the meaning of section 8(b) and (list subsections) 8(b)1(A) of the National Labor Relations Act, and these unfair labor practices are practices affecting commerce within the meaning of the Act, or these unfair labor practices are practices affecting commerce within the meaning of the Act and the Postal Reorganization Act.

The PGSU organization, in affiliation with UE, uses deceptive tactics when pressuring graduate students at Princeton University to sign union authorization cards. PGSU has persistently made intimidating phone calls and entering offices for canvassing, during working hours, even after students have explicitly refused such solicitation. PGSU also misrepresented the nature and scope of collective bargaining, by claiming they can bargain for academic and curricular aspects of student life. Materials circulated by PGSU also contain misleading or factually incorrect claims.
